By Signing here, I authorize Strip System Productions, LLC to charge the amount selected above. I understand that if I attend the first mastermind and am not satisfied that I may be reimbursed all monies paid into the program minus the standard tuition to any Jennifer McCumber events I've attended while in the program. I also understand that I am paying into a yearly program, where some months have more benefit than others due to the scheduling of live events, my monthly payments are not for monthly services but that they are paying into the larger tuition to the program. For that reason, I understand that there are no refunds on this program except as described in this guarantee.
